

1 Samuel 23-24 AND THE HEAT GOES ON

LAST WEEK: WHEN YOU'RE IN A CAVE...

- Admit you need God and cry out to Him.
- Realize that there are more people suffering than just you.
- Take up a ministry that employs your failures and your weaknesses.
- Make practical steps to help somebody.
- Seek out godly counsel and revelation, even if it sends you into fresh risk and requires more faith.
- Deal with the consequences from old failures.
- Trust God's sovereign heart over the whole flow of your life.
