

Called to Wholeness: A new way of Life!

Eph. 4:17-24

- I. We must reject the old way of living that follows the _____ of the lost.

- II. We must remember and walk in the _____ of living we were taught in Christ.

Four areas of application:

1. We need to examine our lives to get rid of sinful behaviors that mirror the world around us. (Col. 3:5-8)

2. We must continually look to Christ for life and his example of how to live the new way! (Col. 3:4 / 1 Jn. 2:6)

3. We must work with God in renewing our minds by regularly interacting with God's word, God's Spirit and God's people. (Rom. 12:2)

4. We must replace our old sinful habits with new Christ-like behavior. (Ph. 4:28)
